CORPORATE PARTNERSHIPS TO POWER YOUNG CHANGEMAKERS

Get Involved with Moving Windmills and partner with a proven story of innovation and integrity.

Moving Windmills turns climate change innovations across Malawi into inspiration for farmers, educators, and change-makers around the world.

PROBLEM:

50% OF MALAWI IS UNDER AGE 25
FACING A SYSTEMIC 'OPPORTUNITY GAP' LACKING
ACCESS TO EDUCATION AND SUSTAINABLE ENERGY

SOLUTION:

PRACTICAL RENEWABLE ENERGY FOR ECONOMIC AGENCY
MOVING WINDMILLS ADDRESSES THIS BY TRANSFORMING THE 80% OF MALAWIANS
CURRENTLY RELIANT ON MANUAL SUBSISTENCE FARMING INTO PROACTIVE LEADERS

\$ Your Partnership:

EXPANDS

**LIGHTING FUTURES:
CLEAN ENERGY**

Malawian *innovators* are enhancing schools, businesses, and Community Hubs with renewable energy.

SUPPORTS

**SEEDS OF HOPE:
AGRICULTURE &
FOOD SECURITY**

Farmers and youth are promoting climate-smart agriculture and enhancing nutritional resilience.

BUILDS

**BRIGHT SPARKS:
INNOVATION &
EDUCATION**

Students are shaping tomorrow's solutions through hands-on STEAM education and digital literacy.

AMPLIFIES

**FIELDS OF UNITY:
SPORT &
LEADERSHIP**

Malawian *youth* unite through sport to build confidence, teamwork, and leadership.

CELEBRATES

**RHYTHMS OF RESILIENCE:
ART & MUSIC**

Malawi's *creative spirit* drives innovation and belonging.

ALL CORPORATE PARTNERS WILL GAIN:

Local partnerships with NGOs, community-based organizations, and Malawian manufacturing, renewable energy, and transport-focused businesses; ability to visit local programming in Malawi; co-branding opportunities via Moving Windmills' football team jerseys.

★ **We turn world-class ideas into community-shifting solutions by mobilizing Malawi's top youth innovators to disrupt the status quo and deliver resilient infrastructure where it is needed most.**

Contact Gemma May-Kimani at engagement@movingwindmills.org to explore partnership and program sponsorship opportunities aligned with your company's purpose.

MALAWI AFRICA

5 YEARS \$20K ANNUALLY

Why partner with Us?

Digital Connectivity & Education:

Established Kasungu's only free public computer hubs with **16,000+ check-ins**, **22,000 books**, and over **630GB of data** utilized via Malawi's first Starlink connection.

Renewable Energy Innovation:

Pioneered the national solar sector by importing **18,000 solar tiles**, solarizing **24 schools**, and launching **Malawi's first electric fleet**, including locally assembled electric motorcycles.

Capacity Building & Health:

Trained **10 specialist apprentices** at KAUST, installed **4 manual boreholes**, and deployed **10 custom touch-free handwashing stations** to ensure community resilience.
